

Know Before You Go

What To Wear

- Wear comfortable clothing
- Wear long pants instead of shorts
- Avoid low cut shirts
- Wear closed toe shoes
- Ball cap or brimmed hat
- Comfortable footwear (No sandals)

For the uninitiated – spent brass (the “empties”) is thrown from semi-automatics unpredictably. It is HOT! You haven't lived till you've gotten hot brass down the front of your shirt. Highly entertaining for the rest of the firing line as they watch you do the Hot Brass Dance trying to get rid of it. But as a former participant, I can guarantee you won't enjoy it.

And you won't perform your best in high heels or skin tight clothing, either. Relaxed and comfortable will increase your success.

You thought we were Fundamentalists or something, didn't you?
